Retirement, Closing of My Practice, and Thank You!

I am writing to share a change in my professional status. **I am formally retired now and am closing my law office as of October 31.** As you may know, I have been in the process of retiring, scaling back staff and space, for over two years, and the time has come to make retirement a formality. At the ripe age of 71, I am looking forward to new adventures and will no longer be involved in the active practice of law.

I have not yet sold my practice to anyone, but it has been on the market, so if a buyer is found, I will notify you. For general legal matters, at this time, I recommend **Neal Falk**, Minden Lawyers, Minden, NV. For estate planning or estate administration matters, I recommend **Danielle Christenson**, Heritage Law, Minden, NV, or Neal Falk. If either of those referrals are unworkable, then I have, for decades, recommended **Allison MacKenzie**, Carson City, NV. For personal injury matters, I recommend **Bradley Drendel & Jeanney**, Reno, NV.

As part of the final winding down, we have digital copies of your file(s), and may have paper copies too. Please contact our office to arrange to pick up or transfer your file(s), digital and/or paper: Lisa's contact is lisa@mindenlaw.com. We will assist with the transition of your file(s).

I would be remiss if I did not say, in closing, that it has been an honor, over the decades, to have been able to help with your legal matters. Thanks so much for your trusted patronage! It has been a pleasure to serve you. Meanwhile, I remain,

Yours faithfully, .

J. D. Sullivan
